

PARKEN

We are participating and will be presenting some new products!

From 28th - 29th June 2023 in Wiesbaden. Visit us in hall Süd, booth C20.

We are looking forward to seeing you there!

ELKA Light ring

For series **PARKING** and **TOLL**

NEW

360° illumination for barrier housing

The translucent plastic ring with LED strips is integrated between the barrier housing and hood and evenly illuminated in all directions (red / green / blue or warm white selectable). The type of lighting (permanently luminous or flashing) is freely configurable via the controller MO 24. The visibility of the barrier system is significantly increased in darkness and in poor visibility conditions.

ELKA Digital inspection book

Via the **EJOIN Service Portal**

NEW

Digital inspection book for ELKA barrier systems

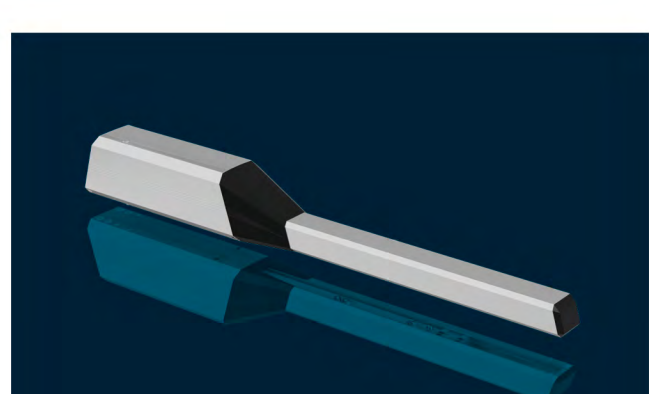

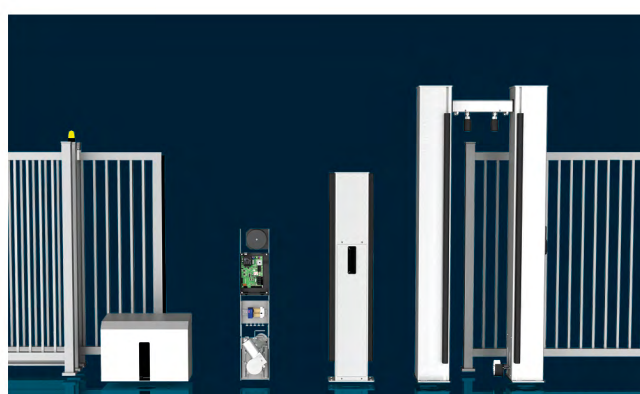

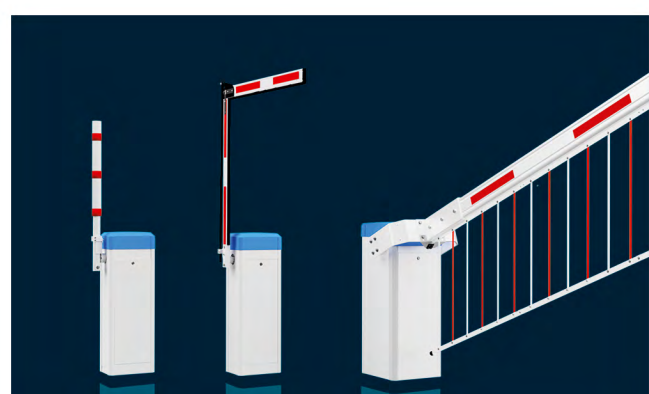

Scan the QR code and off you go. The new digital inspection book can be filled out directly with a mobile phone, saved and sent by e-mail. When the next service interval is due, all colleagues have direct access to saved inspection books. The EJOIN service portal can be used to view and manage access and the inspection reports created.

New business hours valid from 01.07.2023

Mon – Thu 7:30 am to 4:00 pm

Fri 7:30 am to 2:00 pm
